

ASSOCIATION OF HUNGARIAN GEOPHYSICISTS

HUNGARIAN GEOLOGICAL SOCIETY

Dear Members,

The Junior Board of the Association of Hungarian Geophysicists (MGE) and the Youth Foundation of the Hungarian Geological Society (MFT) organise the 2016

Meeting of Young Geoscientists

for geoscientists under 35, working in various fields of geology and geophysics.

Date: 1 – 2 April 2016

Venue: Hotel Balneum, Tiszafüred

The presentations are divided into three categories: theoretical (oral presentations); applied (oral presentations); poster session.

Oral presentations

Length: 15 min Powerpoint presentation,
questions and discussions after each session
Language of slides: English
Language of talks: English, Hungarian
Beamer and laptop provided. The talks are open for all audience.

Posters

Size: 150 cm (height) x 90 cm (width)
Language: English
Poster board is provided
Presentation of the posters will take place in two portions like in the last year.

- 3-minute summary (maximum 3 slides, language of slides: English, language of talks: English, Hungarian)
- poster session (ad libitum)

Abstracts

Required for both oral and poster presentations in English.
Length: max. 300 words (abstracts exceeding the limit will be edited, name of abstracts: name_presenters.doc format, title, author(s), affiliation in the uploaded file should be stated!). To be uploaded during online registration before the indicated deadline: <http://www.isza.hu>

Registration deadline: 19 February 2016

On behalf of the jury, the sponsors and the audience, the organisers offer several awards for the participants of the conference.

Awards from the Association of the Hungarian Geophysicists and the Hungarian Geological Society can only be given to their members.

Pre-registration is required for all participants and authors.

On-site registration and payment is not possible.

Conference fees

Regular fee	HUF 40000/person
Student fee	HUF 29000/person

Hotel room can be reserved for the evening before the conference (31 March) for an extra HUF 14.250 charge (includes dinner, and breakfast next morning).

Student members (BSc, MSc and PhD level) of the Association of Hungarian Geophysicists can apply for a financial support.

Each year the Association allocates its income from the received 1% tax returns to encourage participation of the young researchers who have had membership at least for one year. Requests for waiving the registration fee can be submitted in written form to the **Steering Committee** through the contact persons listed below. **Junior members of the Hungarian Geological Society** may also apply for compensation. It is to be indicated during the online registration. **Undergraduate or graduate applicants must have a Hungarian Geological Society membership already renewed for 2016.**

Meeting of Young Geoscientists is classified as a continued professional training with service specification number: 74.87.15.0.

Please transfer the registration fee to the account of the Association of Hungarian Geophysicists. As soon as the amount of the fee will arrive in the bank account of the Association of Hungarian Geophysicists you will get a bill about the payment and then a final invoice after the event. **Please during the registration fill clearly the name and the address where do you want to ask the invoice.**

IBAN: HU52 1020 0830 3231 0195 0000 0000

BIC: OKHBHUHB

Notice: Meeting of Young Geoscientists

Online registration procedure: <http://www.isza.hu>.

In case of any problem, please contact members of the Organising Committee or the Secretariate (Columbus u. 17-23., 4/401, H-1145 Budapest; t/f: +36-1-201-9815).

Registration deadline: 19 February 2016

Registrations after the deadline are not accepted since the participation cannot be guaranteed. Please, note that **the maximum number of oral presentations cannot exceed 30** due to time constraints of the conference. **Therefore, above this limit a technical committee will decide to relocate some presentations to the poster session and the authors are required to accept the decision.**
